

# Ballustrades

## Ballustrades

Various designs and specifications to suit both domestic and commercial applications.

## Specifications

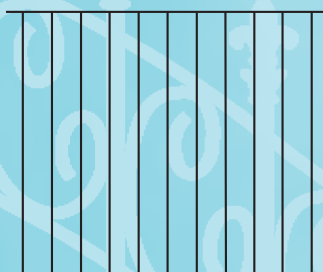

Framework:  
30mm x 10mm flat

Infill bars:  
12mm sq bars

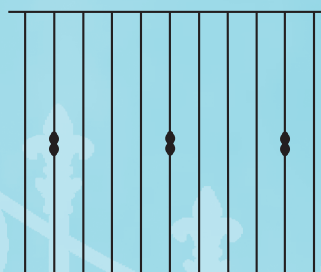

Scrollwork:  
13mm x 3mm/5mm flat

All railings are finished in a black primer undercoat. We recommend that a suitable top coat is added as soon as possible after the railings are fitted.

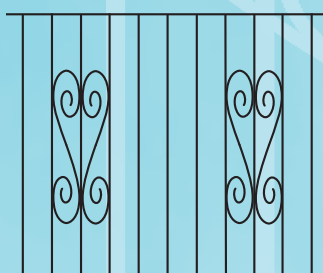

We also recommend using our Galvanising service, price on request.

**Balustrade 2**

**Balustrade 3**

**Balustrade 4**

**Balustrade Bow Type**

# Security Grilles

## Security Grilles

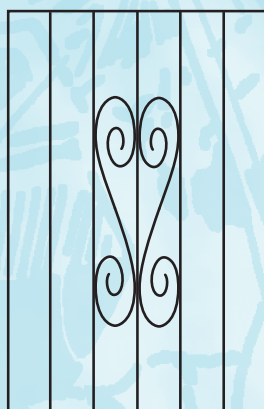

Protect your property from burglary. We have a range of interior and exterior wrought iron grilles to cover vulnerable windows, skylights and doors, all made to measure by our skilled craftsmen.

## Specifications

Framework:  
30mm x 10mm flat

Infill bars:  
12mm sq bars

Scrollwork:  
13mm x 3mm/5mm flat

**Interior Grilles**

Open inwards, and are supplied with hinges and lugs to take staylocks.

**Exterior Grilles**

Fit over the outside of the window frames.

## Special Size or Designed Railings and Security Grilles

We are always pleased to give quotations for non standard items specifically designed to the clients own sizes and specifications. Equally we are always willing to discuss problems or queries clients may have concerning the purchase of our railings and security grilles or any form of wrought ironwork.

Forgecraft reserve the right to change designs and/or specifications without notice.

N.B. Drawings shown are for pattern guidance only.
